 25. (a) A person must not enter at a show any horse to which a Prohibited Substance has been administered or permit a horse to which a Prohibited Substance has been administered to compete.
 - (b) The Competitor, the Owner and an Attendant of any horse in which a Prohibited Substance is detected is deemed to be in breach of these rules.
 26. (a) Subject to (b) above, a horse to which a Prohibited Substance has been administered may not compete and is not eligible to compete.

- 3 Any exhibitor wanting to protest against a judge's decision must lodge the protest in writing within ONE HOUR of the decision. The protest must be lodged with the HDAA's Administration and Business Manager, together with a fee of \$50 which will be refunded if the protest is upheld.
- 4 Stallions must wear a bit and at all times be under the control of a competent handler aged 17 years or over. Stallions are NOT permitted in classes unless specified.

- 12 Stewards have the authority to control horse activities in the Show ring. **Failure to comply with directions issued by the Stewards** may result in forfeiture of entry to subsequent classes on the day and/or refusal of entries the following year.
- 13 **Class Clashes:** Please note that due to the operation of multiple rings there is likely to be clashes between some classes. In the scheduling of classes every endeavour has been made to minimise these where possible. However, due to horses having multiple registrations and as up to 6 rings may be in operation at any one time, class clashes may occur. If this occurs the competitor may have to make a choice as to which class they will compete in. Your understanding and cooperation will be appreciated.
14. For the safety of competitors and spectators the following also applies:
 - Non-motorised wheeled trolleys, prams etc containing a permitted support animal or child must remain outside the main arena fence at all times and must NOT be taken into the main showground arena. Non-motorised trolleys, not containing a child or permitted support animal, may be taken onto the main showground arena at the owner's risk; but must remain against the main arena fence at all times.
 - If competitors require mobility/disability/motorised assistance to the ring or in the ring, they must contact the organising committee via email, BEFORE close of entries so that this may be included in the event organiser's risk assessment. This ensures correct safety procedures are followed as per the event organiser's risk assessment policy. All participants using motorised/mobility assistance are required to wear an EA approved safety helmet, or medically approved head protective wear (please provide a doctor's/specialist's letter in support of any medically approved head protective wear).
15. The Committee reserves the right to alter Judges.
- 16 After a fall from their mount a rider is disqualified from that class and must exit the ring dismounted.
- 17 It is the Competitor / Exhibitor's responsibility to ensure the horse or rider is eligible and competed in the correct class.
